Dear friend in Christ,

**July 17-22-2017** is a date that I wish to fix in your mind. It is the time for our **Annual Family and Church Growth Conference**. This conference promises to be a challenge to ministries, marriage relationships, singles, youth group, homes, churches, and personal growth. And guess what? **You are personally invited!**

Our focus will be around the theme: **“The Power of Endurance.”** There will be related seminars and workshops, challenging speakers, youth explosion and children ministry, special musical guests, fellowship luncheons, and gifts, all centered in a worship experience that will inspire, challenge, and equip every family member. In addition, **a family day is planned** for recreation, excursions, fellowship and fun! We pledge that this conference will be the best investment of your time.

**Make your family plans NOW** to attend this unique experience in **Greensboro, North Carolina.**

Thank you for your valued services, past, present and future.

For His Glory,

Bishop Cecil Reid *and*
