

Daniel's Fast 2026

**21 Days of Prayer & Fasting
January 2026**

The 21 Day Daniel's Fast is a powerful spiritual discipline rooted in Scripture and practiced by believers who desire deeper intimacy with God. This fast is based on the biblical account found in the Book of Daniel, where Daniel chose to abstain from rich foods and instead consumed simple foods as he sought understanding, wisdom, and direction from the Lord.

This fast is also commonly known as a Partial Fast or a Vegetable and Fruit Fast, as it focuses on eating whole, plant-based foods while eliminating meats, sweets, breads, processed foods, and other rich or indulgent items. It's also a way to eliminate toxic waste from the body. While the physical component of the fast is important, the Daniel's Fast is not primarily about food—it is about spiritual focus, prayer, and surrender.

THE DANIEL'S FAST

THE PARTIAL (DANIEL) FAST

Scripture: Daniel 1:1-21, 10:1-21, Ephesians 5:29 (we must overcome the flesh)
Daniel 1:8, 12, 15 and 10:2-3;

Types of Fasts: **Absolute** - no food, no water
Normal - no food, but water
Partial - diet is restricted

Daniel 1:15; 10:3

- The value of the partial fast is not confined by any means to just the **Physical**, but the **Spiritual** as well (verse 20).

Fasting is a biblical doctrine and has done wonders when used in combination with prayer and faith. (Matt.17:19-21; Isaiah 58)
